

Green Areas, Recreation, and Environment

Kailey Ardouin, Anabelle McDermott, Nancy
Kay Forney, Leo Hernandez, Helen Rodriguez
Torrez

Period 5

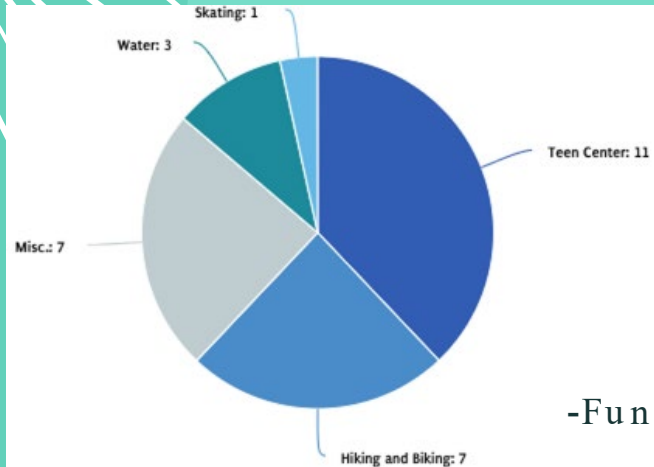

What are you trying to solve?

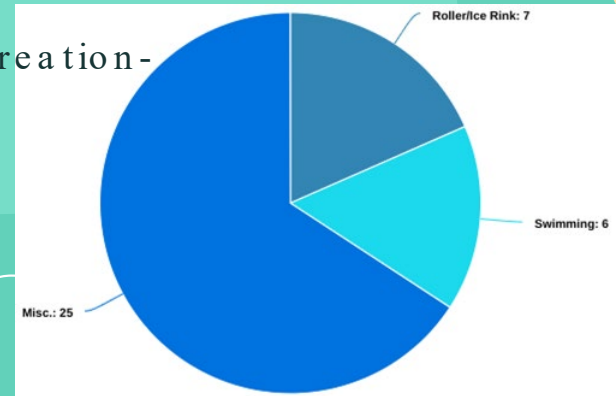

- 
- Improving green areas we already have
 - Increase engagement
 - Add environmental friendly entertainment
- 
- 

Public Outreach

-Funding

New Recreation-

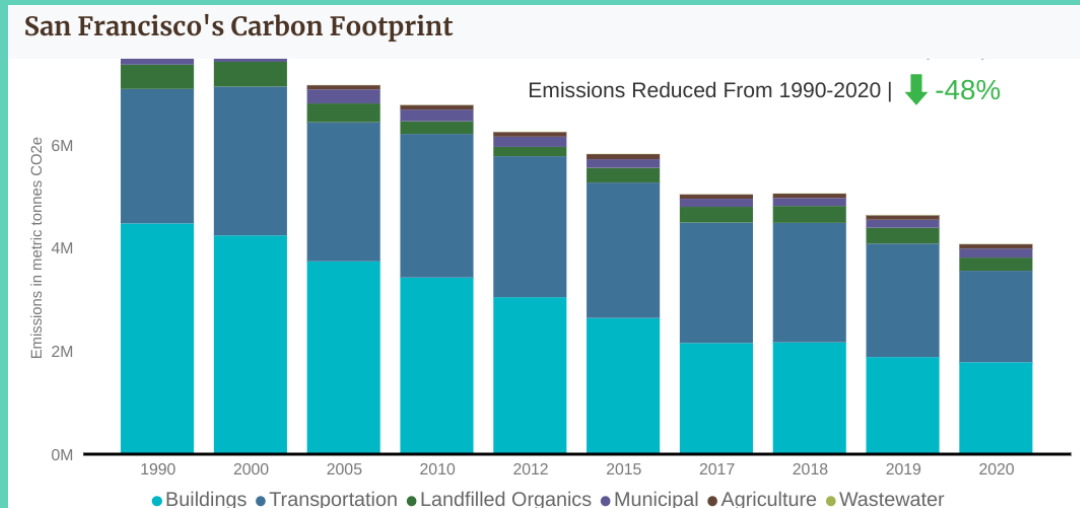

Research

CASE STUDY:

San Francisco, California

- Metro Population = 1,553,089
- Square feet of green space per person = 202.4
- Percent of energy-efficient commuters = 44%

Recommendations

Implementing a
community garden

Recommendations

More trash cans as well
as recycling options

Public Restrooms

The background is a solid teal color. It is decorated with several elements: white clouds of various shapes, some solid and some outlined; small orange flowers with five petals and a central dot; and teal leaves and stems. The text "The End" is centered in a white, rounded, sans-serif font, set against a light teal horizontal oval background.

The End
